

Immunization Clinic Information

At these clinics, they will see everyone regardless of whether or not they have insurance.

The deadline for Back-to-School Immunizations is November 12

Some PGCPs students still need their regular back-to-school vaccines required by the state to attend public school. While the deadline to have all shots for school was extended this year, ALL students must be vaccine compliant by November 12 or will be excluded from school.

The Prince George's County Health Department will host the following free vaccine clinics this month for students ages 5-18, regardless of their health insurance coverage:

November 3-5 • 9 a.m. - 3 p.m.

November 6 and 13 • 9 a.m. - 3 p.m.

November 8-12 • 9 a.m. - 3 p.m.

Cheverly Health Center | 3003 Hospital Drive, Cheverly
